In reply please refer to No. [illegible]

Comptroller's Office, Bangalore,

Dated the 21st December 1922

[illegible] Iyer, Esq., B.A., B.L.,
Secretary to Government,
Revenue Department.

Sir,

I have the honor to state that charges on account of interment of patients dying in the St. Martha's Hospital, Bangalore, are being admitted on bills signed by the Senior Surgeon. On looking into the orders on the point, it is found that Government have in their order No.12817-8/136 dated 7th February 1891 accorded sanction to the Senior Surgeon's proposal for his defraying out of savings in the Medical Budget to the extent of Rs.100/- annually, the cost of burial of European patients who may die penniless in that Hospital. The payment of such charges seems to have been sanctioned at a time when there was no separate Government Hospital in the Bangalore City. As the

[illegible] Comptroller.

9

the institution is a grant-in-aid one the question arises whether these charges should be separately paid for in addition to the grant-in-aid of ₹200/- which has been sanctioned for this institution in G.O.No.677-8/1903 dated 27th July 1904. As other similar grant-in-aid institutions do not enjoy this concession in addition to the ordinary grant, it is a question for consideration whether the charges on account of interment of patients separately paid at present might be continued. I therefore report the matter for the orders of Government.

I have the honor to be,

Sir,

Your most obedient servant,

Comptroller.

To

The Secretary to the Government of

Sir,

With reference to your letter No. L.585 Med.97-22-6, dated 20th July 1923, calling upon the authorities of the St. Martha's Hospital, Bangalore, to show cause as to why the grant of Rs.100/- for the burials of pauper European patients should not be discontinued, I have the honour to forward the enclosed copy of letter, dated nil, from the Lady Superior in charge of the St. Marthas Hospital on the matter, and to state that, for reasons already given in my letter No. G.C.240-3 of 23rd April 1923, I recommend the continuance of this small sum to this institution, as it is doing useful work in the State and is badly off financially.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

P.T.O.

Letter dated nil from the Lady Superior in charge of St. Martha's Hospital, Bangalore, to the Senior Surgeon in Mysore.

In reply to your communication No. G.C.26-1, dated 24th July, I have the honour to state 1st: that the grant of Rs.100 hitherto made is for the burial of pauper patients both European and Indian, and not for the former only. 2ndly: that accounts or bills hitherto sent to the Mysore Government are made according to their rates : 6 as. for a child, Re.1/8 for a Hindu, Rs.2/- for a Mahomedan or Indian Christian and Rs.7/- for European and Anglo Indians; though the actual cost for the burial exceeds the above rates.

3rdly unclaimed bodies have been sent to the Victoria Hospital, unless they are in such a condition as cannot be utilised for dissection.

In conclusion I beg to bring to your notice that the hospital is very poor and will not be able to bear the extra expenses for the burial of pauper patients, if the grant of Rs.100/ - be withdrawn.
